

How To Answer The Most Common Interview Questions

Answers:

1. Many questions are asked
2. Most are to find out about you
3. Tips
 - a. Listen to the question and answer only that question.
 - b. Be honest, you might get caught later in the interview if your earlier responses do not match up.
 - c. Be Positive – even with difficult questions
 - d. Answer only the question – ask if you answered the question
 - e. Give a structured answer
 - -What you did
 - Why you did
 - And what you learned

4. Where can you get the rest of the questions?

5. Was this hard sell or soft sell?

It was a medium sell. He give away a lot of free information but then invited us to his website.
